Tutta la versatilità progettuale e creativa di un gres ad effetto travertino, si manifesta nel dialogo fluido e contemporaneo tra outdoor e indoor e tra pavimenti e rivestimenti.

All the architectural and creative versatility of a travertine-effect stoneware, in a fluid, contemporary dialogue between indoor and outdoor locations, floors and walls.

Toute la polyvalence conceptuelle et créative d'un grès effet travertine se manifeste dans le dialogue ininterrompu et contemporain entre outdoor et indoor et entre revêtements de sol et revêtements de mur.

Der große planerische und kreative Freiraum, den Feinsteinzeug in Travertinoptik bietet, zeigt sich besonders bei Gestaltungskonzepten für Innen- und Außenbereiche und Boden- und Wandbeläge in einem einheitlichen Look.
